

Teeth Whitening Dual Foam

Art no: 1300xx

Two step system – Cleaning & Whitening

Claims:

- Up to 4 shades whiter teeth in 3 weeks with normal brushing
- No need for trays or strips
- Only 2 minutes extra per day
- Non-abrasive - the foam that cleans and whitens
- 21 days session

Product description:

The Dual Foam system whitens teeth efficiently without the need for mouth trays or stri brush with Step 1 and Step 2 morning and evening for three consecutive weeks. It is per will gradually whiten teeth and eliminate stains on the surface. During the 3-week proce replaces regular toothpaste.

How it works:

In order for something to be bleached, the surface must be penetrated and this is wher toothpastes fail. Dual Foam Teeth Whitening is liquid and is thickened only with oxygen the tooth to pass the active substances directly on and therefore the bleaching process immediately. For the ingredients to penetrate it requires an extremely clean enamel anc treatment is performed in two steps with the Cleaning Foam and Whitening Foam. Both done quickly and the only thing you need is a tooth brush.

Unique Competitive Advantages:

- Safe foam formulation supported by the Beconfident intelligent App for best instructions.
- No need for mouth trays – only brush teeth twice a day like normal
- Zero abrasives
- Can be used with both standard and electrical toothbrush. Works safely for all users.
